Meet Henry

Henry is a very affectionate 5-year-old baby. He is very friendly and accepts all head rubs and petting-even when napping (expert level napper). As a white cat (sunshine/skin issues) he is indoor only, but he LOVES a screened-in porch and cat trees by sunny windows. Henry is adoptable from the Monroe County Animal Shelter.

FULLY vetted and ready for his new family! Please view Henry and other adoptable furbabies at monroecountyfriendsofanimals.org

Complete K-9 Seminar

On December 18, Fallon Houser, owner of *The Complete K-9* in Sweetwater, generously donated her time, expertise and studio to train our foster volunteers on the finer points of working with canines.

There were 11 volunteers in attendance. This class covered areas to include slow introductions, crating, feeding, medications to keep on hand, and handling dog fights with safety in mind. This free course came with a folder of handouts to take home for reference.

Thank you, Fallon, for helping our fosters feel more comfortable in their roles!

We Need YOU to Make a Difference

As MCFA moves forward in our new shelter capital campaign, we will be seeking volunteers to donate their talents on a committee. These committees will be tasked with forming the path of the future of the Monroe County Animal Shelter. These opportunities will be important in MCFA's movement forward and will ultimately lead us to success. Committees will include various levels of commitment and will cover different areas of the upcoming Capital Campaign.

If you are interested in serving on a committee, please reach out to Teresa Underwood for an interview to be set up. tunderwood@monroecountyfriendsofanimals.org.

UPCOMING MCFA EVENTS & NEEDS

We are in need of an Adopt-a-Thon Coordinator to take animals to PetSmart and other offsite locations for adoption events. This would be 4-5 events per year, 1 day each. For some shelter animals, an adopt-a-thon event may be their only chance at finding a "forever" home. If interested, please email Cathy: mcfa37885@gmail.com.

SPAY IT FORWARD pays an average \$55 to spay or neuter a dog or cat. When you make a donation, this program will use ALL contributions to pay for surgeries in the MCFA Spay Neuter Assistance Program (SNAP), which provides free spay/neuter vouchers for low-income Monroe County residents.

For more information on how to SPAY IT FORWARD, please visit our website: monroecountyfriendsofanimals.org
