

Dear Friends of MCFA,

We continue to make great progress toward building our dream of a new animal shelter in Monroe County!

Because of the generosity of many of you through the *Raise the Roof, Raising Hope for Animals Campaign*, we've secured **\$3,434,516 in gifts and pledges toward the \$4.3 million goal.**

Why We Give!

Rob Rule President & CEO Volunteer Federal Savings

Giving back to the communities we serve has been a mission of Volunteer Federal Savings Bank since our beginning in 1974.

This includes helping our furry friends! Monroe County Friends of Animals is leading the pack by raising funds for the new Monroe County Animal

That's 80 percent of the goal, leaving just \$865,485 to be raised to cross the finish line!

MCFA's Building Committee just met Thursday February 9, 2023,

to review several contractor bids to build the new shelter. We expect to make a decision shortly on a contractor and anticipate breaking ground for the shelter in late summer 2023!

Please join us in Raising the Roof for animals!

Check out our campaign video, which shows how inadequate and inefficient our current shelter is.

here"**

Shelter. MCFA relies heavily on donations and the support of the community to keep the shelter and its programs operational and meet the daily needs of the animals in their care.

The shelter plays a vital role in our community as it works to reunite lost pets with their owners, provides a safe and loving space for homeless animals so they are not roaming the streets, and creates lifelong best friends through low-cost pet adoption.

We're proud to support MCFA and its campaign to build the new animal shelter in our community, and its efforts to give dogs and cats a second chance.

Honor a Family Member or Beloved Pet

We have developed many opportunities to be recognized for campaign gifts, at many different gift levels. You can honor or remember a beloved family member or pet in a designated area in the new shelter.

Donors have already named the Community Room, and the Dog “Get Acquainted” Room.

There are many other options still available, including individual Dog and Cat Kennels, Outdoor Exercise/Play Areas, the Cat “Get Acquainted” Room, and Main Intake Lobby.

Please contact Cheryl Ulmer or Teresa Underwood for more information on a naming opportunity that is right for you.
