

## MCFA Board Announcement

Dear Supporters of Monroe County Friends of Animals,

As good friends and donors to MCFA, we wanted you to be among the first to know our big news regarding the new Animal Shelter.

Earlier this week an angel donor stepped up to make a very significant donation to our Raising the Roof, Raising Hope for Animals capital campaign. The gift allows our Board to confidently contract with Rouse Construction to begin building our new shelter in the second quarter.

Our angel donor prefers to remain anonymous for now. But please join us in giving thanks for this outstanding act of generosity and kindness, for the animals and the people of Monroe County.

While this commitment allows us to break ground, we have yet to cross the finish line. We hope you will be inspired by this gift and donate the additional funds needed to complete this initiative.

Thanks to all of you we are forging ahead to build the facility we have dreamed of for years!

With sincere gratitude,

The MCFA Board of Directors
