## SNAP to it!

MCFA's spay & neuter assistance program (SNAP) provides no-cost vouchers for spay & neuter procedures for the pets of Monroe County families that meet income requirements. The goal of SNAP is to reduce the unwanted cat and dog population that can occur when unaltered stray pets are allowed to roam.

MCFA SNAP holds a 2-hour phone-in session once per month. Some volunteers assist by taking calls from potential clients to verify the caller meets program requirements.

Other volunteers call back qualified callers to obtain pet information and explain the process to redeem their voucher. The vouchers are in high demand and we only hold one session per month. This results in many people not getting through. If we had more volunteers to assist in the voucher sessions, we could answer more calls.

If you would like to join the SNAP team please send an email to [info@monroecountyfriendsofanimals.org](mailto:info@monroecountyfriendsofanimals.org). Training is provided.
